RECEIVE WORD RELEASED FROM PULPIT

In 1<sup>st</sup> May, 2011 first service, Pastor Carey prophesied that *someone with an apartment that cannot be sold for sometime will be able to sell off the property*. I immediately claimed it. I had an apartment that I want to sell off since year 2009, but unsuccessful. The apartment overlooks the sewage system although it is not directly facing it. This is always the stumbling block in selling the apartment. Since I can't sell it, I only rent out the master room of the 3 rooms apartment. Now when God's word was released that morning, immediately in the night at 8 pm of 1<sup>st</sup> May, I received an SMS from my tenant that his friend wanted to buy my apartment. Cut the story short, with God's blessing, I am selling it with a price I'm happy with and the S&P was signed on 28<sup>th</sup> July. Thank God for His blessing. Thanks to Pastor Carey for releasing God's word. *Brother-in-Christ*

UNEXPECTED BLESSING AS I RECEIVED THE WORD

Dearest Pastor Carey,  
Lately, I had an "eye-sore" condo for sale in PJ. Unfortunately, it faces an abandoned

site. It had been up for sale in the market for more than 6 months. In fact, I really had no confidence to market it. The main wooden door was falling off, plus the lift was not working. With God's favor I managed to close the deal within the same day. My vendor was shocked. It obviously was God's favor. On 11 October, you told us to expect the unexpected blessing from God; God wants to bless us. You also encouraged us confess it during the service. By faith, I claimed it. Praise the Lord, it came to pass. I collected my professional fees at the end of September. On 21 October, my vendor gave me a bouquet of flowers with an angpow which his double the amount the tithe and the Philippines' missionary offering. It was a token of appreciation for the quick disposal of the condo. Actually, I did not expect the angpow, it really was an unexpected blessing from God. The moment I received it from her, I felt God's love so strongly, and a tremendous joy inside me. Pastor, I just want to give thanks for your teaching especially on giving and tithing which really sustained me during this challenging time. Also, if we know the truth, the truth will set us free. Yes, I know no good thing will God withhold from me because I am a child of God and the righteousness of God in Christ Jesus. Praise the Lord, indeed God is really showering me with greaat favor in my Year of Jubilee of Opportunities in my new real estate business. *Sister-in-Christ*
