This **YEAR OF JUBILEE OF EXPONENTIAL INCREASE**, the Lord also

blessed my family **abundantly** beyond our wildest imagination. Praise the Lord. We submitted a tender for electricity in overseas on 23<sup>rd</sup> January 2009. It is a project worth about RM20 million.

Four other international companies also participated in this tender.

Since January 2009 the authorities were delaying on making-decision on this project.

On 6<sup>th</sup> June, 2010 during 2<sup>nd</sup> Service at 11.41am Pastor Carey released the words: "There was a long delay in getting projects and the Lord said ... now is the time to sign up new contracts".

2. she also said "Restoration of property".

I **grabbed** those Words and claimed and also confessed them. After the service once again I **went forward** and **asked** Pastor Joshua to **pray** for me.

Winning a multi-million dollar business by beating 4 **international companies** for

projects in foreign country is not easy unless the **FAVOR OF THE LORD IS UPON US**. On 15<sup>th</sup> June, 2010 we received the offer letter.

(This is fulfilling 1<sup>st</sup> prophecy).

We believe through this project, our Heavenly Father is going to **restore our property and wealth** which we lost throughout the past 8-10 years (*This is going to fulfil 2<sup>nd</sup> prophecy*).

Once again, thank you, Pastor Joshua and Pastor Carey for being our spiritual father and mother; for **conveying and releasing God's Message and Words** to us at the time of **our needs**. I would have missed those Words if I didn't attend church on that particular Sunday.

*Brother-in-Christ*

Dear Pastor Joshua and Pastor Carey,

Thank you for **always showing and guiding** us towards the Truth. Our family has experienced breakthroughs after breakthroughs during these nine years in RLC.

The latest, our daughter applied to a couple of universities in USA. While waiting, one Sunday Anointing Service, Pastor prophetically said, "**God is pouring out scholarships.**" We quickly say "Amen" to that and received that. He continued saying, "**It comes with pocket money.**" Another great "Amen" from us.

Not long after she was offered a **good scholarship** from SAU Magnolia. The amazement came after accepting the offer. She was offered the Honors Program that comes with **best living quarters, professors** and **pocket money for four years**.

*Sister-in-Christ*

This is what happen to **David** – great dream – prophecy – year after year – shepherd – **backside** of desert

Nobody pay him **attn** – **overlooked** – **looked down** – **one day**

Even own Dad overlooked! – even bro look down

In the background for years – work hard – nothing happen – overlooked – promotions you think deserve

God is keeping the records – I will repay years locust eaten one day - face **Goliath**

Notice – after **anointing** – didn't – bye bye to dad – walk straight to palace – **faithful** in serving dad – found destiny

If got great prophecy – don't pack bag – no – stay on – faithful to boss

Key? – you come with your sword .... I  
come in the Name of God of Israel -  
supernat connection

How did he get that connection – years  
serving dad – taking care of sheep –  
fighting w lions and bears

If think called to min – interested in Bible  
college – don't go straight after university.  
Work a few years – while fighting lions and  
bears (in the market place) – develop  
compassion for the sheep. Otherwise, very  
harsh

Also character is proven – during those  
working years – serve faithfully in a local  
church – partnership bet the priest and the  
king – brings the commanded blessings
