### Release the Power that can Shape Circumstances

How you can shape and cause blessings for your future with the Right Word

How can you know what you are going to be like say 5 yrs from now?

Words – **creative power** – know what you going to be like **5 yrs from now** – just **listen** to what you say

**Flu** – **back pain** – **debt 50 yrs** – – don't like **job** - **prob** never – **spouse** never change

Flu season – going to get it

My **back** hurting for years – getting so old – don't think ever going to be better Too many

Never out of **debt**– **wonder** why don't any financial breakthru

**Prob** never going to go away - **spouse** - spouse never change – child never change

Don't like **job** - lousy day

Becos calling in **defeat** – **mediocrity**

Look at God's **way** of bringing changes:

What is God's way of bringing changes?

#### Romans 4:17

The God who gives life to the dead and calls things that are not as though they were.

**God** – see darkness – wah – resign - speak

**Wah** so dark – let there be light – light was Zech 10:1-2

Ask the LORD for rain In the time of the latter rain. The LORD will make flashing clouds; He will give them showers of rain, Grass in the field for everyone. NKJV

To ask for rain – time of rain – sounds silly – redundant

Just becos favor available – not exp – unless ask

God is raining favor – promotion – key – proclaim the word – call - ask

Nothing happen until speak

How to exp God's creative power in your life?

#### 1. Speak Words that **bless** not curse

Your words can **bless** or **curse** the circumstances

#### Prov 18:21-22

21 Death and life are in the power of the tongue, and those who love it will eat its fruit. NASU

**Basket** ball player – great shape – star of team always negative – getting old fat bald – just **kidding**

– 10 yrs – prophesied his fut – old fat bald

#### Psalms 91:2-3

2 I will say of the LORD, "He is my refuge and my fortress, my God, in whom I trust."<sup>3</sup> Surely he will save you from the fowler's snare and from the deadly pestilence.

What is the key to see the fulfilling of God's promises?

Clear **connection** – I say – surely

Lately – heard of **superbug** – if I got it – end of me - **limit**

When you speak defeat, you limit what God can do in your life

Say – super antiB – name – Jesus

**Can't** speak **defeat** and expect to have vict - **Sickness** - **Poverty**

Can't talk **sickness** and expect health

Can't talk **poverty** – abundance

Poor mouth – poor life

But I am always so **tired** – run down – guess getting old

Just expressing fact – true – but Bible says

#### Joel 3:10

10 ... Let the weakling say, 'I am strong!'

I never recover from this chronic

I may **not feel** gd – know tempo –getting stronger – younger – best days still I ahead

#### Ezekiel 37:3-6

He asked me, "Son of man, can these bones live?" I said, "O Sovereign LORD, you alone know." 4 Then he said to me, "Prophecy to these bones and say to them, 'Dry bones, **hear the word of the LORD!**' 5 This is what the Sovereign LORD says to these bones: I will make breath enter you, and you will come to life. 6 I will attach tendons to you and make flesh come upon you and cover you with skin; I will put breath in you, and you will come to life. Then you will know that I am the LORD."

10 "Everyone brings out the choice wine first and then the cheaper wine after the guests have had too much to drink; but you have saved the best till now."

Word has inherent **power**

**Bonkke** – God: My word in my mouth is as powerful as my word in your mouth – like medicine

#### Acts 2 38

Surprise by burglar – alone – acts 2 38 – froze in track – police – arrive – how – what – affect – what Scrip – thot – she had an axe and 2 38 Smith Handgun – used by police for years

Like medicine – panadol - whether you get it from a doc or pharmacist or a supermarket – still panadol

#### 2. Speak Words that **changes** circumstances, not describing the situation.

**Economist** – can say bad: bad for them

What economists say - may be a **fact** – not solve my prob – no **soln**

I am **blessed** – no **weapon** – prosper – best of land - Egypt

This **prob** will not defeat me – not **last**

**Mark 11:22-24**

22 Have faith in God. 23 For verily I say unto you, That whosoever shall **SAY** unto this mountain, **Be thou removed, and be thou cast** into the sea; and shall **not doubt** in his heart, but shall believe that those things which he *says* shall come to pass; he **shall have whatsoever he says**. KJV

What can you learn from this passage?

**Context:** fig tree – not bearing fruit – may you never bear fruit again

Seems **silly** – talking to a tree;

**If examine immed** – didn't look different

Next day – **dead** or withered from root up

**Something happen** – unseen realm – matter of **time**

– the **life was cut off** in the root sys - tree already **dead**

– just a matter of time - what happen on the inside show out on the outside

Notice – Jesus **didn't** curse – just show what negative words can do

**He didn't do this to teach you to curse trees or people but to show you the power of words – use it in a positive way – move mountains**

Pict of the power of speaking God's Words

Negative – release death

Positive – release life

Something already happened – may not see it – 1 day, month, even year, 24

What are we to do with our 'mountains'?

Mountains? - prob – diff – **imperf** world **corrupted** by sins

Key to overcome – speak to mt – not describing your prob

**Speak to the tumour** – sound **silly** sounds silly – rather look silly – whole than look smart but sick

Don't say – Lord take away **my sickness** – you don't belong here -

Pas – now know how to deal w **boss** – speak – **confront** - him – no – exer auth in the sp realm

**Nah 1:8-10**

8 But with an overrunning flood He will make a full end of [Nineveh's very] site and pursue His enemies into darkness. 9 What do you devise and [how mad is your attempt to] plot against the Lord? He will make a full end [of Nineveh]; affliction [which My people shall suffer from Assyria] shall not rise up the second time. AMP

Now – know how to deal **boss** – speak – curse

Apply it in the spiritual realm – command the skinny goat mentality to go – release favor

Say to mt – not shout or scream

Two bros – 4-5 – grand ma – say prayer – top of voice – bicycle – God not deaf but grandma is

1967 – **Dhinakaran** – telegram – a pas – ill – death bed.

Lord – go. Rushed – some young man sitting around – praying loudly. Pas – please let him pray. While D prayed – they raised voices – shouting in the flesh. D saw Holy Spirit coming down but retreated- Please get these men go for a while. Angry. Pas asked – they left. D with prayed earnestly – Lord come and raise your son. Holy Spirit came again. Young men came – again retreated – do lip service, but heart is far away. D prayed again – Holy Spirit came down – instantly healed – asked for a drink.

**Numbers 20:7-8**

7 The LORD said to Moses, 8 "Take the staff, and you and your brother Aaron gather the assembly together. Speak to that rock before their eyes and it will pour out its water. You will bring water out of the rock for the community so they and their livestock can drink."

Why was Moses not allow to enter the Promised Land?

Moses – leading – wilderness – needed water – strike – later – speak rock – he went back – do **old** way
