

Parental Controls Made Easy

Five Areas to Flee

Adapted from Rick Warren's Ten Commandments for Moral Purity.

1 Cor 6:18 Flee ... Phil 3:3 Put no confidence in the flesh.

1. Do not **visit**, date, counsel or do business with the opposite sex **alone** at home or in a lonely place or alone on a trip.
2. Do not counsel or discuss marriage problems with the opposite sex without that person's spouse present. Refer them to those who are trained.
3. Be careful in answering cards and letters from the opposite sex.
4. **FLEE** from **situations** that subtly deposit wrong values: filthy websites, novels and movies.
5. **FLEE** from anything that can **distract** your high **calling** and rob you of your **great inheritance**.
